Dear Dr. Nevin:

This is in response to your October 2, 2017, Freedom of Information Act (FOIA) appeal, concerning the failure of a timely response by the Food and Drug Administration's, ("FDA,") to the request referenced above, submitted by you on February 1, 2015 Information Act (FOIA) request.

Because the actions necessary to complete your initial request are yet to be accomplished, I am remanding this request back to FDA for completion. Once FDA issues their final response, you will receive appeal rights for any possible denials.

This action will close your appeal and allow the necessary, remaining processes to take place in response to your initial request. We will, however, monitor the progress of this request.

If you would like to discuss our response, you may contact the HHS FOIA Public Liaison for assistance at:
